

Experience Hashing in Duluth

What is Hashing? It's a Drinking Club with a Running Problem.

If you've got a running problem, come join the Minneapolis Hash House Harries for a weekend in Duluth. We will be setting four trails over the course of the weekend all over Duluth/Superior. There will be 1 trail Friday night, 2 trails plus grill out on Saturday, and a final trail on Sunday morning. Bring your running shoes and your sense of humor.
